Washington, D.C. 20510

The Honorable Jerry Moran
Ranking Member
Subcommittee on Commerce, Justice,
Science, and Related Agencies
125 Hart Senate Office Building
Washington, D.C. 20510

Dear Chair Shaheen and Ranking Member Moran:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2022 Commerce, Justice, Science, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Ron Wyden
United States Senator

PRINTED ON RECYCLED PAPER

**Wyden, Ron(D-OR) Commerce, Justice and Science
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Oregon Department of Fish and Wildlife	Funding is requested to support a one-year position at the Oregon Department of Fish and Wildlife to conduct a public awareness campaign and develop outreach materials regarding the impact of harmful algal blooms and the accumulation of biotoxins in Oregon-sourced seafood.	All coastal counties OR	\$100
Oregon Department of Fish and Wildlife	Funding is requested to leverage existing research investment and improve the model predictive capacity to more reliably estimate elevated levels of whale entanglement risk.	All coastal counties OR	\$100
Baker County Sheriff's Office	Funding is requested to replace base radio stations and repeaters that are the backbone of the county radio infrastructure and first responders.	Baker County OR	\$190
City of Beaverton	Funding is requested to fully implement a Behavioral Health Court program within the Beaverton Municipal Court.	Beaverton OR	\$500
City of Milwaukie	Funding is requested to support a channel study to facilitate the removal of Kellogg Dam.	Clackamas County OR	\$585
Columbia River Inter-Tribal Fish Commission	Funding is requested to monitor a variety of oceanic data; improve prediction capabilities to support habitat restoration, navigation safety, and climate change resilience, and plan new projects to support migrating salmon.	Clatsop and Multnomah Counties OR	\$760
Coos County	Funding is requested to complete the Coos County emergency radio system upgrade. The system supports dispatching and tracking of all local first responders in the area.	Coos County OR	\$231
Tenmile Lakes Basin Partnership	This funding would be used to reduce algae blooms on Tenmile Lake.	Coos County OR	\$485
The Ocean Foundation	Funding is requested to update surveys of Oregon's kelp forest habitats to inform management, conservation, and restoration activities.	Curry and Coos counties OR	\$945
City of Eugene	Funding is needed for the purchase of two Crisis Intervention transit vans for full time use by the successful, essential, and transformative CAHOOTS (Crisis Assistance Helping Out On The Streets) program.	Eugene OR	\$200
Grant County Emergency Management	Funding is requested to fully upgrade Grant County's aging public safety communications system, including the repeater network.	Grant County OR	\$606
Harney County Emergency Management	Funding is requested to replace and upgrade Harney County's aging public communications system. These upgrades will meet help the county meet the Cybersecurity and Infrastructure Security Agency's Interoperable Communications Program requirements.	Harney County OR	\$1,545
Lane County Sheriff's Office	Funding is requested for Lane County Sheriff's Office to develop a body worn camera program to be used by its patrol deputies and in some corrections circumstances. The Lane County Sheriff's Office is one of the last major law enforcement agencies in Lane County that is not using this important tool.	Lane County OR	\$648
McKenzie River Trust	Funding is requested to provide floodplain reconnection and habitat restoration along the McKenzie River. This restoration will provide critical habitat for spring Chinook salmon and other native species.	Lane County OR	\$1,800
Marion County	Funding is requested to purchase mobile and portable subscriber radio units for first responder agencies throughout Marion County to enable those agencies access and utilize Marion County's new digital, state-of-the-art public safety radio network.	Marion County OR	\$1,200

Geos Institute	Funding is requested to build a technical support program that provides climate resilience planning services to communities across the State of Oregon. The support program will provide actionable climate projections for regions across the state, support communities working to build climate resilience, and train local government representatives on how to integrate climate change projections into existing planning processes for Natural Hazard Mitigation Plans, Comprehensive Plans, Economic Development Plans, and others.	Multiple counties in Oregon OR	\$728
Multnomah County District Attorney's Office	Funding is needed to enhance Multnomah County District Attorney's capacity to decrease incidences of firearm crimes in the Portland metro area. Specifically, this program will identify and engage community partners to offer trauma-informed, culturally-responsive, age-appropriate program for young men and women involved in the justice system.	Portland OR	\$132
City of Portland	Funding is requested for the Office of Violence Prevention Street Level Outreach program in order to reduce gun violence in the community and provide relief services.	Portland OR	\$200
Oregon Youth Authority	Funding is needed to hire a victim services coordinator within the Oregon Youth Authority to support crime victims' rights and healing process. This role will serve to develop infrastructure for crime victim engagement and support, training for staff, and policy and procedure that can be sustained by the Oregon Youth Authority for years to come.	Statewide OR	\$165
Tillamook County	Funding is needed to address undersized and failing culverts on Tillamook County roads that are also fish passage barriers.	Tillamook, Garibaldi, and Cape Meares OR	\$7,007
