The Honorable John Kennedy
Ranking Member
Subcommittee on Energy and Water
Development
125 Hart Senate Office Building
Washington, D.C. 20510

Dear Chair Feinstein and Ranking Member Kennedy:

I certify that neither I, nor my immediate family, has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Energy and Water Development appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Ron Wyden
United States Senator

**Wyden, Ron(D-OR) Energy and Water Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Corps of Engineers	Funding would go towards restoration of a site in Tryon Creek, a 7-mile stream, home to threatened native fish including steelhead and cutthroat trout, coho and Chinook salmon, as well as Pacific and western brook lamprey.	City of Portland OR	\$940
Parrott Creek Child & Family Services	Funding would go towards installation of a 146kw solar array and battery system.	Clackamas County OR	\$900
Corps of Engineers	Funding would go towards dredging at the Port of Coos Bay.	Coos County OR	\$720
Farmers Irrigation District	Funding would go towards construction of a solar facility to reduce energy costs for irrigators, local government facilities, and low-income residents.	Hood River County OR	\$1,000
Corps of Engineers	Funding would support Cole Rivers Hatchery to become a more climate resilient hatchery that fully meets its mitigation obligations, reliably sustains regionally important fisheries and economies, and plays a key role in conservation programs.	Jackson County OR	\$6,000
Bureau of Reclamation	Funding would improve the water quality in Lake Ewauna by alleviating the negative impact on Lake Ewauna and downstream to Keno Dam of high organic load inflows from Upper Klamath Lake due to excessive production of bluegreen algae.	Klamath County OR	\$2,990
Bureau of Reclamation	Funding would modernize the Dairy Canal section adjacent to Bliss Road within Horsefly Irrigation District by installing 2.5 miles of buried pipe to reduce water loss, increase system efficiency, and improve habitat in Clear Lake Reservoir.	Klamath County OR	\$2,100
Bureau of Reclamation	Funding would modernize the A-3 Canal to reduce water loss, improve public safety, maintain water levels in Upper Klamath Lake, and deliver more reliable water to farms and other water users in Klamath Lake due to excessive production of blue-green algae.	Klamath County OR	\$6,100
Bureau of Reclamation	Funding would support the reconstruction of several instream irrigation diversions which are upstream fish barriers.	Lake County OR	\$2,484
U.S. Army Corps of Engineers	This would continue funding for the creation of a Villages Development Plan	Multiple Locations along Columbia River OR	\$500
Portland State University	Funding would go towards creating a transportation decarbonization resource hub.	Multnomah OR	\$1,850
Corps of Engineers	Funding would go towards dredging at the Lower Willamette River.	Multnomah OR	\$7,137
Corps of Engineers	Funding would go towards pipeline dredging at the Port of Garibaldi.	Tillamook County OR	\$748
Bonneville Environmental Foundation	Funds would support innovative demonstration projects for solar projects.	Washington County OR	\$4,000
