# TILLAMOOK SOUTH JETTY

Funding to repair the Tillamook South Jetty to maintain reliable commercial and recreational navigation and support U.S. Coast Guard operations. Contract awarded September 2022.

# COUGAR DAM AND HILLS CREEK DAM - SPILLWAY GATES

Funding to rehabilitate structural, mechanical, and electrical components to ensure reliable operations for flood risk management. Two contracts awarded in September 2022, and an additional contract scheduled for award in late summer 2023.

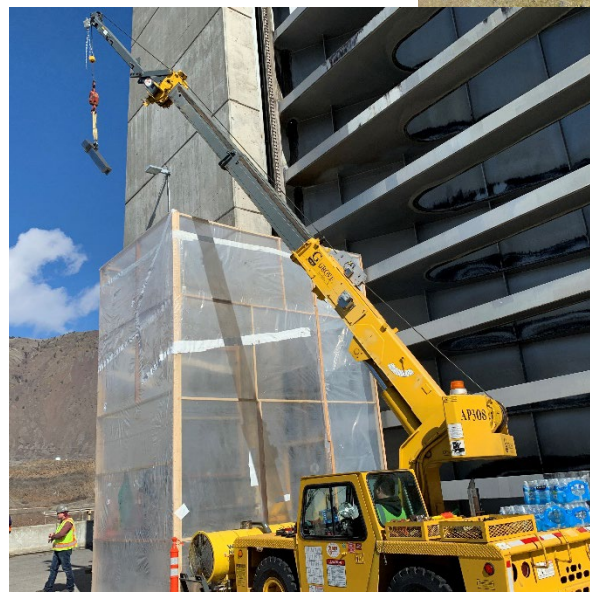

# THE DALLES, JOHN DAY, AND MCNARY NAVIGATION LOCKS

Funding for high priority projects to maintain the reliability of the Columbia-Snake River Inland Waterway, an import/export gateway for the region. Multiple contracts awarded in 2022 and 2023, others to be awarded in 2023 and 2024.
