(U) FY23 VEP Annual Report Unclassified Appendix

(U) Pursuant to Section 6270 of Public Law 116-92, as amended, the Director of National Intelligence is required to annually report data related to the Vulnerabilities Equities Process (VEP). This Appendix satisfies that reporting requirement.

(U) For Fiscal Year 2023, the aggregate number of vulnerabilities disclosed to vendors or the public pursuant to the Vulnerabilities Equities Process was 39. Of those disclosed, 29 of them were initial submissions, and 10 of them were reconsiderations that originated in prior years.

(U) The aggregate number of vulnerabilities disclosed to vendors or the public pursuant to the Vulnerabilities Equities Process in FY23 that are known to have been patched, is unknown. This information is not collected by the Intelligence Community and cannot be reported.
